(u)(s) On 1/5/67, [PSI CARLOS de la VEGA] (Under Development) advised that subject organization is headquartered in Miami, and that its activities in New Orleans appear to be limited to the sending of funds which its delegates are able to collect in the New Orleans area. [De la VEGA] advised that there are two local delegates in New Orleans, whose identities are unknown to him.

On 2/17/67, LUIS RABEL, who was head of the Cuban Revolutionary Council in New Orleans about 1961 and who is generally familiar with Cuban political group activities in the New Orleans area, advised that he was of the impression that MANUEL GIL was delegate of the subject organization in the New Orleans area. He stated that GIL lives across the River from New Orleans in Terrytown, is a Cuban refugee, and is employed at Kirschman's Furniture Company Warehouse located on Florida Avenue just below the Industrial Canal. Mr. RABEL states he is of the impression that a Dr. (FNU) FONTE, who is connected with Tulane University Medical School, is the second delegate of subject organization in the New Orleans area. He states that the activities of this group in New Orleans appear to be limited to the propagation of anti-Castro literature among Cubans in the New Orleans area.

On 2/20/67, Mr. FRANK BARTES, a Cuban exile residing in the New Orleans area who usually has a general knowledge of anti-Castro Cuban activity, advised he has no knowledge of subject organization's activities in the New Orleans area.

On 2/20/67, NO 1213-S, who has a wide acquaintance-ship among Cubans in the New Orleans area, advised that subject organization has not been active in New Orleans to
